**Jaime L. Sepulveda, MD FACS FACOG**

Dr. Sepulveda is the medical director of the Miami Urogynecology Center and the Medical Arts Surgery Center at South Miami Hospital. He graduated from the University of Puerto Rico School of Medicine followed by residency in Obstetrics & Gynecology at UPR University Hospital. Dr. Sepulveda completed his training in Pelvic Surgery at University of Miami/ Jackson Memorial Hospital where he worked as Assistant Professor of Clinical Obstetrics & Gynecology. He has trained hundreds of surgeons in the area of prolapse repair around the US and abroad and has pioneered the model of open systematic cadaver dissection in the teaching of advanced surgical anatomy for over a decade.
